Daily Schedule

Thursday, January 11

Friday, January 12

Saturday, January 13

WELCOME

Thank you for attending the 2007 NAEMSP Annual Meeting. We hope you enjoyed the conference and plan on attending in future years. We have provided this interactive CD so that you can access information from the program booklet as well as presentations/handouts for most sessions.

The Daily Schedule section will take you to each day's schedule of events which contain links to the presentations provided on the CD.

We hope you find this a useful tool and hope to see you in Phoenix in 2008!
